

**Our Expertise: Highly Accurate Bearing Production Line Turning, Grinding, Auto Inspection SPM**

**Our Products:**

**1. Eddy Current Testing Machine- ECT  
(PLC/CNC Fully/Semi-Automatic)**

**2. Measuring Machine  
(PLC/CNC Fully/Semi-Automatic)**

**3. Fully Automatic Turning Machine  
(PLC/CNC Fully/Semi-Automatic)**

- Turning Line Multi Station
- Single Machine Multi Operation
- Customized as per requirement

**4. Grinding machines**

- Deep Groove Ball Bearing (DGBB)
- Tapered Roller Bearing (TRB)
- Cylindrical Roller Bearing (CRB)
- Spherical Roller Bearing (SRB)
- Special Type Grinding
- External Grinding Machines
- Internal Grinding Machine

**5. Special Purpose Machines – SPM  
(PLC/CNC Fully/Semi-Automatic)**

- Bubble Leak Testing Machine
- Flatness Testing Machine
- Mobile Oiling Machine
- Pipe Slotting Machine
- Riser Cutting Machine
- Washing Module

**6. Dosing Machine**
